

It was a sea of beauty, the 2017 MCH Prom. Sea turtles floated overhead as the residents dressed in their finest danced the night away. The theme was “Under the Sea” with the chapel converted into an undersea world filled with fish, sea turtles, star fish, a giant clam with a huge pearl, a shipwrecked old boat, treasure chests and even a shark!

Our residents and many of their family members enjoyed the “Under the Sea” foods, fun and fellowship. Several danced to the music which wafted over the waves; others enjoyed watching them as they were refreshed with such treats as shrimp cocktail, shark teeth and crackers, seaweed dip and veggies, fresh fruit served fresh from the shark’s mouth, goldfish of various varieties, clam shell cookies, and marshmallow pops, all served with ocean potion punch.

Our distinguished sea captain made sure everyone enjoyed their voyage “Under the Sea”. He was seen escorting some of the lovely ladies onto the dance floor, and even had the honor of crowning our 2017 MCH Queen! His first mate was quite dapper, himself! Thank you, Bill!

Of course, we extend our congratulations to our Prom King and Queen: King Vance Toline and Queen Connie Ceverny. We are so happy to have you as our royalty this year!

Plans are already in place for the 2018 MCH Prom with a 50’s Diner Theme! You won’t want to miss it!
